In the aftermath of Roza's disappearance, Bone Gap is a town on the edge. The once-familiar streets now seem haunted by shadows, and the whispers of the townspeople carry the weight of unspoken fears and suspicions.

But in the midst of the darkness, there are those who refuse to give up hope. Roza's family, led by her determined mother, refuses to believe that their daughter is gone forever. And a young boy named Finn, who has always had a secret crush on Roza, vows to find her, no matter what it takes.

As Finn delves deeper into the mystery, he uncovers a web of secrets and lies that stretches far beyond Bone Gap. He learns that Roza was not who she seemed, and that she had been hiding a dangerous secret from her family and friends.

With each step closer to the truth, Finn realizes that the stakes are higher than he could have ever imagined. The people he trusts most may be the

ones who are hiding the darkest secrets, and the line between justice and vengeance becomes increasingly blurred.

As Finn's search reaches its climax, he must confront his own demons and make a choice that will shape the rest of his life. Will he seek justice for Roza, or will he let her memory be swallowed up by the darkness?
