Pea Jung's *Boots on the Ground* is a gripping and eye-opening account of one soldier's experiences in the war in Afghanistan. Through vivid prose and raw emotion, Jung paints a picture of the realities of combat, the challenges of leadership, and the profound impact the war has on those who fight it.

Jung was a young infantryman when he was deployed to Afghanistan in 2008. He quickly learned the harsh realities of war, as he and his fellow

soldiers faced daily firefights, ambushes, and improvised explosive devices. Jung also witnessed the devastating effects of the war on the Afghan people, as he saw civilians killed and injured, and homes and villages destroyed.

Despite the horrors of war, Jung also found moments of hope and inspiration. He saw the courage and resilience of his fellow soldiers, and he was moved by the kindness and hospitality of the Afghan people. Jung's experiences in Afghanistan changed him forever, and he returned home a more mature and compassionate man.

Boots on the Ground is a powerful and important book that provides a unique perspective on the war in Afghanistan. Jung's honest and unflinching account of his experiences is a must-read for anyone who wants to understand the realities of war and the sacrifices made by those who fight it.

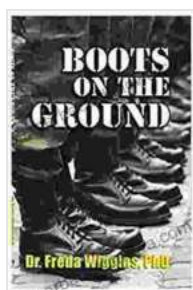

Praise for *Boots on the Ground*

"A gripping and eye-opening account of one soldier's experiences in the war in Afghanistan. Jung's vivid prose and raw emotion paint a picture of the realities of combat, the challenges of leadership, and the profound impact the war has on those who fight it." - ***Kirkus Reviews***

"A powerful and important book that provides a unique perspective on the war in Afghanistan. Jung's honest and unflinching account of his experiences is a must-read for anyone who wants to understand the realities of war and the sacrifices made by those who fight it." - ***Publishers Weekly***
