First, it is important to be able to communicate clearly and concisely. This means being able to speak and write in a way that is easy for others to understand. It also means being able to listen to others and understand their perspectives.

Second, it is important to be able to communicate professionally. This means being respectful of others, even if you disagree with them. It also means being able to maintain a positive attitude and avoid gossiping or complaining.

Finally, it is important to be able to communicate assertively. This means being able to express your opinions and needs in a clear and direct way. It also means being able to stand up for yourself when necessary.

The following book provides essential communication skills for teens to succeed in the workplace:

- **How to Communicate Effectively**
- **How to Communicate Professionally**
