Yul Brynner, the iconic actor known for his portrayal of the enigmatic King Mongkut in "The King and I," hailed from the remote village of Svobodnoye in eastern Siberia. His father, Boris, was a Swiss mining engineer who found himself drawn to the untamed wilderness of Russia, while his mother, Marousia, was a Russian beauty of Tatar descent. From this unlikely union emerged a man whose life would take him from the frozen steppes of Siberia to the glittering stages of Hollywood.

But the Brynner family's connection to Far East Russia did not end with Yul. His cousin, Natalie Brynner, inherited her grandfather's adventurous spirit and embarked on her own extraordinary journey. As a young woman, she traveled to Vladivostok, the gateway to the Russian Far East, and from there ventured into the uncharted territories of Siberia, Kamchatka, and beyond.

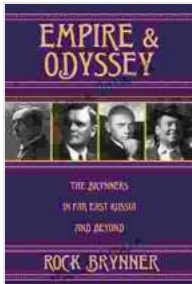

Natalie's travels would eventually lead her to Japan, where she met and married a Japanese diplomat. Together, they witnessed the tumultuous events of the mid-20th century, including the Japanese occupation of Manchuria and the outbreak of the Second World War. After the war, Natalie and her husband settled in Switzerland, where she continued to share her experiences and insights into the Far East through her writings and lectures.

The Brynners: In Far East Russia and Beyond is not merely a biography of two extraordinary individuals; it is a captivating exploration of a forgotten chapter in Russian history. Through the eyes of the Brynners, we gain an intimate glimpse into the lives of the people who lived in this remote and often overlooked region. We encounter Cossacks, gold miners, political exiles, and indigenous tribes, all of whom played a role in shaping the Brynners' destinies.

Author Garan Holcombe has meticulously researched the Brynners' family history and meticulously crafted a narrative that is both informative and deeply engaging. The book is filled with vivid descriptions of the Far East's landscapes, from the rolling hills of Siberia to the volcanic peaks of Kamchatka, and the bustling streets of Vladivostok to the serene temples of Japan.

The Brynners: In Far East Russia and Beyond is a must-read for anyone fascinated by Russian history, exploration, or the lives of remarkable individuals. It is a book that will transport you to a forgotten world, inspire your sense of adventure, and leave you with a profound appreciation for the human spirit's resilience and capacity for discovery.

Free Download your copy today and embark on an extraordinary journey through the Far East and beyond.
