In his new book, 'How Sport Can Reboot Our Future', renowned sports commentator and author Simon Barnes argues that sport has the potential to transform our world for the better. Drawing on his decades of experience covering some of the world's biggest sporting events, Barnes shows how sport can be used to:

- Promote physical and mental well-being
- Foster social inclusion
- Drive economic development
- Create a more sustainable future

Barnes believes that sport can play a vital role in creating a more equitable and sustainable world. He argues that sport can be used to break down barriers of race, religion, gender, and socioeconomic status. Sport can also be used to promote environmental sustainability, by encouraging people to live healthier and more active lifestyles.

'How Sport Can Reboot Our Future' is a passionate and inspiring call to action. Barnes shows us how sport can be a force for good in the world, and he challenges us to use it to create a better future for all.
