### **A Chilling Mystery Set on a Remote Island**

Kathryn Savage's *Groundglass* is a gripping crime novel that will keep you on the edge of your seat from beginning to end. Set on the remote and desolate island of Sark, the story follows Detective Sergeant Sarah Truman as she investigates the disappearance of a young woman named Evie.

As Sarah delves deeper into her investigation, she uncovers a web of secrets and lies that run through the island's close-knit community. The locals are tight-lipped and suspicious, and Sarah soon realizes that she is not welcome. But she is determined to find out what happened to Evie, no matter what the cost.

## **An Unforgettable Cast of Characters**

Groundglass features an unforgettable cast of characters, each with their own secrets and motivations. Sarah Truman is a complex and driven detective, whose determination to solve the case is matched only by her compassion for the victims. Evie, the missing woman, is a vibrant and enigmatic figure whose disappearance haunts the island. And then there are the islanders, a diverse group of characters with their own unique stories to tell.

Savage has a gift for creating characters that are both flawed and sympathetic. Her characters are not simply good or evil, but complex and unpredictable. You will find yourself rooting for Sarah as she investigates the case, even as you question her methods. And you will be fascinated by the islanders, each of whom has their own secrets to hide.

## **A Haunting and Atmospheric Setting**

The setting of Groundglass is as important as any of the characters. The remote and desolate island of Sark provides a haunting and atmospheric backdrop for the story. The island's isolation and its close-knit community create a sense of claustrophobia and paranoia that will stay with you long after you finish the book.

Savage's descriptions of the island are vivid and evocative. You can almost feel the windswept cliffs and hear the crashing waves. The island's natural beauty is both alluring and dangerous, and it provides the perfect setting for a dark and twisted mystery.

## A Must-Read for Fans of Crime Fiction

Groundglass is a must-read for fans of crime fiction. It is a gripping and atmospheric mystery that will keep you guessing until the very end. With its unforgettable characters, its haunting setting, and its twisty plot, Groundglass is a book that you will not soon forget.

## About the Author

Kathryn Savage is an award-winning author of crime fiction. Her novels have been praised for their atmospheric settings, their complex characters, and their twisty plots. Groundglass is her latest novel, and it is sure to be one of the most talked-about crime novels of the year.
