One day, Percy's dream came true. A heavy rainstorm washed away his pod, and Percy found himself tumbling through the air. He landed with a plop in a puddle of water, and he was swept away by the current.

Percy was scared and alone, but he didn't give up. He kept swimming until he reached the edge of the puddle. He climbed out of the water and looked around. He was in a strange and unfamiliar place.

Percy wandered through the forest, looking for help. He met all sorts of interesting creatures along the way, including a friendly frog, a wise old owl, and a mischievous squirrel.

With the help of his new friends, Percy learned to survive in the forest. He learned how to find food, build a shelter, and protect himself from danger.

As the days turned into weeks, Percy began to feel more and more at home in the forest. He made new friends and learned new things. He even started to forget about his old life in the pod.

But one day, Percy heard a sound that made his heart skip a beat. It was the sound of his family's voices. Percy followed the sound until he came to a clearing. There, in the middle of the clearing, was his pod.

Percy was so happy to see his family again. He ran to them and hugged them tightly. They were just as happy to see him. They had been worried sick about him.

Percy told his family all about his adventures in the forest. He told them about the friends he had made and the things he had learned.

Percy's family was proud of him for being so brave and resourceful. They were also happy that he had found his way home.

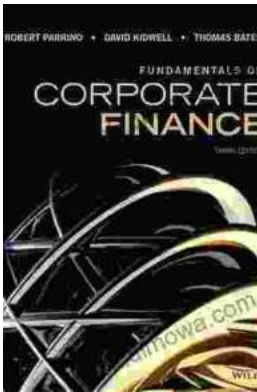

Percy decided to stay with his family in the pod. But he never forgot his adventures in the forest. He often told stories about his friends and the things he had learned.

The Runaway Pea Washed Away is a delightful children's book that teaches the importance of perseverance, kindness, and friendship. It is a story that will stay with you long after you finish reading it.
